

Legend

- Potential Corridor Zones
- Proposed Boring Location
- Proposed Geophysical Survey Location
- City Boundary

VOCc 2003

- VOCs Contamination Potentially Exceeding 1000X AL
- VOCs Contamination Potentially Ranging From 100X To < 1000X AL
- VOCs Contamination Potentially Ranging From 20X To < 100X AL
- VOCs Contamination Potentially Ranging From 10X To < 20X AL
- VOCs Contamination Potentially Ranging From AL To < 10X AL
- VOCs Contamination Potentially Ranging From Laboratory Detection Limits To AL

Aerial Base
 SR-710 Tunnel Technical Study
 Los Angeles County, California
